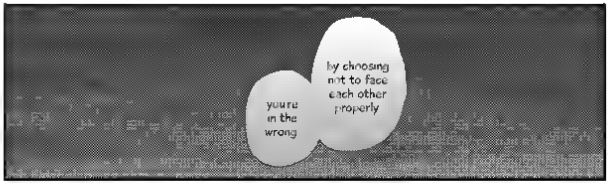
I'm-
kicked

I'm sorry
It was a spur of the moment
Pushing me down like that out of nowhere
it surprised me—
Although
I don't really know anything about it, but



by choosing not to face each other properly
you're in the wrong

It's fun when I'm with you
GULP
SLUMP
I'm not saying this because I was angry that I got kicked...
I ended up making him cry...
Hey Techno

At first I thought you're just a strange dude but
the house felt lively every time
I looked out the garden and see you there
and the flowers have increased
...Huh?

I don't hate it
The kindness that you showed me
the kisses too
Not even once
But I thought to myself "Why?"
It's because it's my fault.
Because I'm a sly person.
Oh ma...
Why there's these small lines stuck in my heart pricking at me.

I couldn't bring myself to visit him in the ICU*
thus I wasn't able to take care of him in his last moment.
I'd
remained silent throughout Sagisans illness

T/N ICU INTENSIVE CARE UNIT

how despicable
But I couldn't...
Because I can't forget about Seiji-san
It's comfortable by your side
I should've shake off your hand
so I'd become spoiled
I'm disgusted with myself.
Surely Seiji-san will be disgusted with me as well...

Wait
You know
Huh?
That s really
I wonder why you'd think that Seyr-san would be disgusted...
Did Seyr-san told you to live out your life alone?
Is that something someone
who gave you that beautiful garden would do?
.....

You don't know anything about him
SLAP
HEY, DON'T YOU DARE SPEAK ILL OF SEIJI SAN.
Seiji-san's not a...
Or was that just my own misunderstanding?
Was he actually just a narrow-minded man?
Or some thing
anyway
!
Then
Seiji-san's...
SURELY
あなたの

WOULD PAT MY HEAD...
WITH THAT BIG HAND OF HIS
HE'LL SMILE LIKE HE'D ALWAYS DO AND
AOI,
YOU'RE REALLY A FOOL.

wouldn't say such thing
Seiji-san absolutely wouldn't have said such things
IT'S NOT SEIJI-SAN
It's just me
Yup
ALL OF IT
I can't forgive myself
WAS A CHAIN THAT I WOUND AROUND ME
TO BOUND MYSELF DOWN

!
THAT LONELINESS
WAS THE SOLE SUPPORT ALL THIS WHILE
You...
SURELY FROM NOW ON
I'LL KEEP THINKING ABOUT SEIJI SAN...
.....
STILL, I

WANT TO NESTLE CLOSER TO THIS WARM LIGHT.
IT'S OKAY TO EXTEND MY HAND RIGHT?
Are you going to brew more?
Not really
So it seems
The coffee's cold now
Huh-
IT'S NOT "HUH"!
I'll never forget about Seiji san even in the future
Do you think you can still love me even then?
Hey

Since I've come to like you...
I'm trying to understand it
Whether I'm going to be okay or what not,
...Are you going to be okay with that?
It doesn't change the fact that you're in love with Seiji-san before I met you.

I've been
Sniff
imagining that it's you while looking at such stuff and jerk off to it...
Don't you not yearn for
Gimme

Yup.

Hey, this and that are not related
There there.

You're making a face like as if you've been captured by a demon.
元カレ
Motokare
.....You still can't do it?
EH?
Pfft.
HONESTLY SPEAKING.
NOPE.
By the looks of it just now, you've overcome your aversion to younger men, right?
I DON'T HAVE ANY GOOD MEMORIES WITH YOUNGER MEN.
If there's no sex involved at all..
D-...don't worry, if it's Techno-kun, you'll surely be fine!
Yeah..
BUT, WHAT SHOULD I DO IF IT DOESN'T WORK OUT?
MORE SPECIFICALLY, I CAN'T GET AN ERECTION AROUND THEM...

I'M SORRY TECHNO...
MY ERECTION-
shudder
HOWEVER THE PROBLEM IS
WHEN I CAN'T GET EXCITED BY TECHNO.
IT'S IMPOSSIBLE AFTER ALL.
It's not as if I'm going with a man...
WHAT IF TECHNO FINDS MY BODY A TURN OFF?
His imagination
I'LL JUST CRY ALONE ON THAT NIGHT
IT CAN'T BE HELPED
THAT'S ACTUALLY FINE WITH ME.
Ah, Le-

I've been told by the top to confirm your intention with you
Here you go
Today we will-
I'll not go.
Did you receive the air mail from the British publisher?
!

serious
But-
Back then, it was because it overlapped with what happened with Seiji-san
so you had no choice but to put it off
...Didn't I
said it before?
But, isn't it different now?
.....
You said that t was your dream
That s why you quit your work at the company to study under Seiji-san
You've come a long way right?
Uemat-sun-kun

Here
you'll take care of it won't you?
GASP
